	Respiratory Protection	<ul style="list-style-type: none"> • Respiratory Protection Safety Talk

This list is not comprehensive - additional OSHA standards may apply to your workplace. Be sure to review OSHA's general industry standards (29 CFR 1910) for other requirements. In addition, section 5(a)(1) of the Occupational Safety and Health Act, known as the General Duty Clause, requires employers to provide their employees with a workplace that is free of recognized hazards likely to cause death or serious physical harm.
